The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

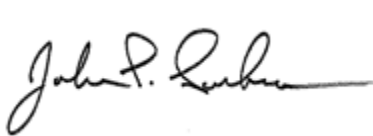

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Outdoor/Environmental Preschool at the Annapolis Maritime Museum & Park (AMM) in Fiscal Year 2023.

The entity to receive funding for this project is the Annapolis Maritime Museum & Park, located at 723 Second Street, Annapolis, MD 21403.

These funds would be used to construct a new outdoor preschool built along the waterfront hiking trails of the Museum's Park Campus and accompanying outdoor classroom space intended to bring students closer to their natural environment. The outdoor classroom will also serve as a multipurpose environmental education space for the 12,000 Pre-K-12 students that AMM connects with each year. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

John P. Sarbanes
Member of Congress
